

# Pick one ESRI Shape polygon

You have **more than one** Google Earth polygons (.shp files) in your folder .../LULCC/InVector/

Please pick only **one** of your available kml files (from the *file dialog box* that just opened) to be processed as the analysis area.

Ultimately, please email [aghilardi@ciga.unam.mx](mailto:aghilardi@ciga.unam.mx)
